Awareness Spaces Resources Bhagawati's Dairy In the 1980s Bhagawati's Dairy bought the half a dozen Arora Brothers milkeries and thus was a huge leap in the right direction. Today, this dairy is reckoned to be one of the most efficient milk corporations in the city. It has a strong core group of committed employees and the latest technology to ensure maximum cow productivity with the minimum contamination. Bhagawati's Dairy aims to provide fresh milk for the people. This is its vision – to be best in its field by having the best health policies, by sourcing clean, quality raw materials, and employing the best technologies and people. The company is thus committed to sustaining the health and hygiene of its employees as well as their families and our customers. Presently, this dairy is focusing on a customized process and quality control in the production and distribution of milk and milk products. It has several outlets in the city where you can buy products like fresh milk, skimmed milk, butter and cheese. It even has new outlets, to be opened in 2018, where they will sell bottled water and mineral water. They have also recently launched a mobile phone app which will help you find the nearest outlet of Bhagawati's Dairy. Q: How do you integrate a Gaussian with 2 dependent variables? I'm looking for the integral of the form  $\int_{-\infty}^{\infty} \int_{-\infty}^{\infty} e^{-2d^2(x^2+y^2)} dx dy$
