Their colors are all over the place. Their bodies grow, shrink, twist and turn with every problem that comes their way. The gameplay will get a bit more challenging as the levels progress in the game, but it will remain very easy to learn.” “‘ILO MILO’ is a simple, yet, extremely colorful and intriguing puzzle game played in a 2D environment. Bobby Byrd writes reviews on various iOS games and apps. Searching for the ilomilo iPhone game, you came to the right place. You will find the best ilomilo review on Google. “ilomilo” will transport you to a world full of fun and imagination, where you will enjoy the puzzles and enjoy the game! ilomilo windows 7 ilomilo xbox 360 ilomilo xbox ilomilo xbox ilomilo xbox 360 ilomilo mobile ilomilo mobile ilomilo windows 7 ilomilo
