Game Over (Tamil version). 2019 | 18+ | 1h 37m | Thrillers. When a series of murders took place near the house, the video game designer suffered from post-traumatic stress. And again with you heading "Game Over". Today in it we will talk about a movie that we didn't really like. It's about the thriller "Game Over". This film should not be confused with the series of the same name, which consists of 5 episodes. But the film that we will watch, in my opinion, is not the best film of this director.

Like it or not, but still this is his debut
